SAMUEL MCKEE

ATTORNEY AT LAW.

No 441 W. Jefferson street, LOUISVILLE, KY. Practices in all the State Courts, and I attention given to business of all in the United States Courts.

WHAT SHE THOUGHT OF IT.

WHAT SHE THOUGHT OF IT "the loved you?" Go coarse you should read the second of the se

I own I know little of "duty."
Of "fitness," and "fears," and all that;
But I we the full poetic beauty,
No doubt you re convinced you know bette
With that very superior air;
But it don't change my dictum one letter
Because you condemn it—so there!

Because you condemn it—so there!
What sort of a man would francy?
Well, one who has spirit and dash,
73th, hands une—that much it can say.
The hands une—that much it can say.
Bit it is proof? Either we have a mine acte.
Bit for poof? Either we have or groves;
Dit til very commatic and clarming
To be poor with the man that one loves!

To be poor with the man that the man that the man that we wouldn't wait all of his life.

Not target to openly wo one.

No, he'd nak me if I'd be his wife.

And I'd know that his bias was I ward me.

What I'must know? Three vears you've addored me.

Good gratious: I never supposed.

## UNMAILABLE MATTER.

Some Articles Which Uncle Sam Will Not Transport.

"One of my duties," said a retail stamps-lerk of the Post-office, "is the weighing of parcels; and one of the weighing of parcels; and one of the weighing of parcels; and one of the Post-office regulations. Destructive Unasilable." Matter may be unmailable for several reasons, such as the size or weight of the parcel, indexency, connection with lotteries or other frauds, and the fact that it is dutiable goods; and the fact that it is dutiable goods; the destructive unmailable consists of duty of the party o

or a post-office clerk. Long experiences and numerous accidents have led the department, therefore, to prohibit the mading of them altogether. Firsterm are fined to the made of the many fools insist on mailing them loaded. They can not be mailed except in dark properties of the many fools insist on mailing them loaded. They can not be mailed except in discovered in the many fools insist on mailing them loaded. They can make a many fools insist on mailing them loaded. They can make a many fools insist on mailing them loaded in the mail of the many fools insist on mailing them are provided in the many fools insist on mailing them are provided in the many fools insist on mailing them are many fools insist on mailing them are made in the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the mail of keroscore, carbolic said, or make a few fools of the few

Description of a Peculiarly Inquisitive and Honest Race.

Description of a Peculiarly Inquisitive and The inquisitiveness of the Norrecigians increased, if possible, as we advanced. But they never tell you anything in re-turn for what they ellett. They are as reserved as they are curious. Only one woman, designated in the guide-books as the "friendly haultday," offered any information about herself. She was a They are a very honorable race, almost never try to take any advan-tage of you, are always kindly and well-meaning. When you give a fee its recipient gives a furny little "bob." its recipient gives a funny little "bob," and then offers you his or her hand, shooting it out at you from the shoul-der like a pump-handle. After we discovered this custom we took care to and then offers you his or her hand, shooting it out at you from the shoulder like a pump-insuffice. After we have a superior of the shooting that the shooting is the shooting it out to give the shooting it out to give the shooting it of the shooting it is at those and the shooting it of the shooting it of the shooting it of the shooting it of the shooting it is a shooting no one though it of the shooting it was raining no one though of the shooting it was raining no one though of the shooting it is a shooting in the shooting it was raining no one though of the shooting it is a shooting in the shooting it was raining no one though of the shooting it is a shooting in the shooting it was raining no one though of the shooting it is a shooting in the shooting in the shooting it is shooting it was raining no one though of the shooting it is a shooting in the shooting it is a shooting in the shooting it is a shooting in the shooting in Yet these

How Dr. Johnson Acquired His Extraor dinary Conversational Powers.

low Dr. Johnson Acquired His Extran-dionary Conversational Fowers.

The art of agreeable conversation is one all men admire, and most men are anxious to learn. There are few sub-jects upon which young people oftener seek advice from those whose greater experience enables them to give wise counsel. It is frequently said of many kinds of tracking that example is better to the art of conversation. You may hear a man talk with wonderful bril-liancy, and yet talk no better yourself has you did before. You must have imitate. Bowell accounts for the extraordi-nary accuracy and down as a fixed rule to do is best on every occasion, and in every company; to impart whatever he knew in the most forceble language of the internal properties of the control of the con-trol of the con-
